

How to Connect to Realm!

Important Notes Before You Get Started

- If you use Internet Explorer, you'll need to use Google Chrome or another updated browser to log in.
- You cannot share your email with another profile. For example, a husband and wife cannot share the same email to set up in Realm. Each person in Realm must have their own email address.
- Use the email address that you already have on file with the church. You can change it later once you get into Realm.
- All of your giving history will be in Realm regardless if you were in The City or not.
- If you did not have reoccurring giving on The City, you will need to set up your payment & reoccurring information in Realm – if you give online.
- Our Giving Online information has changed. You can now give in your Realm Profile Account or directly at www.onrealm.org/sbcgrowth/give or Text GROWTH to 73256.
- Children 12 years and up can have a profile in Realm. However, they must use their own email address.
